

## Exam Information: IELTS, TOEIC, TOEFL

### How to Enrol?

**IELTS:** If the student books the course with us, we can arrange the exam. We need at least 1 month notice. Students can pay us, we pay the IELTS centre.

**TOEIC:** The school can enrol students. From the student we need their preferred exam date when they book the course. We also need their full name, e-mail address, postal address where to send certificate. They pay the exam fee direct on the day of the exam at the test centre.

**TOEFL:** Students must enrol and pay themselves online, [www.ets.org](http://www.ets.org), using their own credit card (the school is not allowed to enrol students). The exam takes place regularly, see below. The ETS web site has up-to-date exam availability.
