BSC Safestay Package

At BSC we want to make sure that students who want to come and study in the UK are able to do so safely.

Current UK Government regulations insist on a mandatory 14 day quarantine for anyone arriving from a country not currently on the **exemption list**.

The BSC SafeStay package has been designed to ensure that students who have to quarantine on arrival have everything they need during this period to keep them comfortable, connected and able to continue with their studies.

Private airport transfer

Students will be picked up from the airport and taken straight to their homestay family.

Full-Board homestay for the 2-week quarantine period

Our homestay families will ensure students have everything they need to stay at home with them for this 2-week period. This includes all meals and snacks. They will also be able to assist them in getting any essential items from the shop that may have been forgotten. Students will not be able to go to the shops during this quarantine period so it's important they pack carefully before arriving.

FREE online lessons for the 2-week quarantine period

Students will take part in our online language lessons, up to 25 lessons per week, from the comfort of their homestay. They will learn online with other international students through live lessons with BSC teachers.

Access to an online social programme

Every week our team runs virtual activities for our online students. There are grammar quizzes, book club, pronunciation classes and more. It's a great way to meet other students learning online and also practise English.

Access to myBSC online learning platform

Our new and improved online learning platform makes it easy for our students to access learning resources 24/7 via web browser or mobile app. Students can conveniently submit homework and project assignments, track progress with individualised learning plans and easily communicate with teachers and classmates.

If you have been quarantining and your country of origin has been deemed safe to travel to the UK, you can join face-to-face classes from the following Monday at no additional cost.

For more information on how we're keeping you safe, take a look at our **Be Safe Charter.
If you have any questions or would like to book please contact your Regional Sales Manager.**
